RE: Notice of preliminary determination in the antidumping duty investigation of utility scale wind towers from the People's Republic of China (A-570-981)

1. On 08/02/2012, Commerce published in the Federal Register (77 FR 46034) its preliminary determination of sales at less than fair value and the postponement of the final determination in the antidumping duty investigation of utility scale wind towers from the People's Republic of China (PRC).

2. The products covered by this investigation are described in message 2024302 dated 01/24/2012.

3. This investigation has been assigned investigation number A-570-981.

4. For imports of utility scale wind towers from the PRC, CBP shall suspend liquidation of such shipments entered, or withdrawn from warehouse, for consumption on or after 08/02/2012. Effective 08/02/2012, CBP shall require, for entries of utility scale wind towers from the PRC from the exporter/producer combinations, a cash deposit equal to the antidumping duty margins listed in the company-details table appended to the bottom of this message.

5. For all other entries of utility scale wind towers from the PRC, the following cash deposit instructions apply:

A. For all PRC exporters of utility scale wind towers from the PRC which have not received their own rate, the cash deposit will be the PRC-wide rate.

B. For all non-PRC exporters of utility scale wind towers from the PRC which have not received their own rate, the cash deposit will be the rate applicable to the producer/exporter combinations that supplied that non-PRC exporter.

6. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their

inquiries through authorized CBP channels only. (This message was generated by O4:TT.)

7. There are no restrictions on the release of this information.
